“It’s a stunning venue for a wedding...from the beautiful gardens to the lovely cottages situated around a pretty courtyard” Sue & Richard

Q: Are you dog friendly?

A: Yes! The whole site including all our cottages are dog friendly. All we ask is that dogs remain on leads in our gardens and communal areas.

Q: Can we bring our own drinks?

A: You are welcome to bring your own drinks for the day before and after your wedding. On the day of your wedding we require all drinks to be bought from us. These can be pre-ordered if you would like wine on tables etc

Q: Can we use external suppliers?

A: Of course! Let us know which suppliers you are using (through Hostology) as we may need certain insurance documents etc, but you're more than welcome to use whoever you would like to create your perfect day!

Q: What time can we arrive the day before the wedding?

A: You are welcome to come on site to set up from 2pm. If the cottages have been booked for the night before the wedding, these will be available from 3pm.

Q: When do we need to finalise numbers?

A: A meeting will be arranged 2 months prior to your wedding to finalise all details including numbers, menus, timings e.t.c.

Q: Is there a limit on how many emails/visits we can have with Glebe House?

A: No! Email us and visit us as many times as you need to!

Q: Will the barn be heated?

A: Yes! We will have a wood burner & underfloor heating for cooler days.

Q: Are we allowed confetti?

A: Absolutely! Confetti can be thrown anywhere you like except the pond and swimming pool and it must be either natural or biodegradable.

Thank you for taking the time to look through our brochure.
We would love to show you around our beautiful site and discuss
your wedding with you.
